 **ROAD CLOSURES** A rolling road closure will be enforced on the stage route. This means roads on and around the race route will be closed to traffic by Police Escort Vehicles. Closures are in place for a short period (usually around 30 minutes) to allow – the race to pass safely.

 **NO PARKING** The route is marked with yellow advanced warning signs in the run up to the Tour of Britain. Please don't park on the route on the day: if necessary, vehicles may have to be removed.

 **LISTEN** There will be an advance vehicle 15 minutes ahead of the race, keeping you up-to-date with what is happening in the Tour of Britain as well as live coverage on ITV4.

 **CAUTION** Please keep children back from the edge of the road and animals on a lead, away from the roadside. Riders pass by very fast, and while we encourage support, please keep flags, objects and photography equipment out of the road. Remember, taking selfies is fun, but turning your back on the race is never a good idea. Please face the oncoming riders and race convoy at all times.

 **POLICE** The Tour of Britain is escorted along the route by trained police officers and escort motorcyclists. If you are asked to stop by an officer, please listen carefully and obey their instructions.

 **SUPPORT** Don't forget, this is a major international race and Britain's largest free sporting event. So show your support for the British heroes and the international stars who will be taking part and leave them with positive memories of the support at the Tour of Britain.

RESPECT THE RIDERS

We encourage everyone to get behind the riders, but please remember this is their race. Please don't block their route, run alongside them or impede their progress.
