

HEAR2HELP

**Hearing loss? Ear ache?
Blocked ears? Ringing? Itchy Ears?
It could just be wax.**

GP's are no longer offering wax removal as a service.
Don't suffer in silence. Book a quick and easy ear wax
removal appointment today. **After all, it could just be wax.**

20 Minute appointment - With the average waiting time to
access wax removal 12-16 weeks, our system will help solve
your hearing issues faster.

The gold standard - Micro suction is quick, safe and painless
procedure which gently sucks the wax from the ear.

Services Offered:
