

The climate emergency:

“Code Red for Humanity”

What does it mean for us in Southwell?

The United Nations Climate Change Conference (COP-26) starts on Sunday in Glasgow, with 200 world leaders meeting to discuss the climate emergency.

Southwell has experienced severe flooding episodes over the last 10 years – the effects of changing weather patterns due to climate change. Southwell Town Council want to focus the town’s attention on what we can all do to help mitigate climate change and to tell you some of the things Southwell Town Council is doing to help too.

If all 8,000 of us in Southwell make a few small changes, together we can make a difference.

- **Read Southwell Town Council ‘Doing our Bit’ posts**
- **Join Southwell Town Council’s Climate Change Working Group**
- **Join the peaceful Climate Change March from the Burgage to the Minster on Saturday 6 November 9:30-10:30am**

We’re in this together! If you’ve got any great ideas, please comment below or email cllrsallyreynolds@southwell-tc.gov.uk
