

## Agenda item 54.3    Review of Squires Pond Project

### **History**

A plan has previously been agreed for Squires Pond Project. The pond has been dredged and some preliminary tree work completed

The project was paused last year due to the work required on two large trees .

### **Next Steps**

The TWCA have now been obtained and the work is to be carried out (awaiting quotes)

The next phase of the project is to install an accessible path from the Car Park to the pond area with seating and a picnic area.

Prepared by L Wright in conjunction with Cllr L Harris
