

Agenda item 24

Proposal:

To allow the Southwell Community Archaeology Group to conduct a mini dig on the Little Burgage. This would be to facilitate the Young Archaeologists' summer school in August.

The dig would take place between the 3rd and 10th August.

Proposed by Lyn Harris  
Seconded by Peter Harris

Note: SCAG have conducted a full dig on the Little Burgage a few years ago and this proposal would enable our young people to experience the skills involved in studying archaeology on this interesting site.
